NOVEMBER'S SUPER FOOD

Whole grains have been foundational to human diets for over 10,000 years, dating back to the dawn of agriculture in the Fertile Crescent. Keeping all three original parts intact (the bran, germ, and endosperm), these nutrient-dense staples deliver complex carbohydrates, vitamins, and minerals that refined grains lack.

HEALTH BENEFITS:

- **Sustained Energy:** High in complex carbohydrates and B vitamins that digest slowly, preventing energy spikes and crashes to keep you fueled all day.
- **Optimal Digestion:** Packed with dietary fiber that supports regular bowel movements, feeds healthy gut bacteria, and reduces bloat.

BALANCED℠

©2026 Discovery Senior Living. All Rights Reserved. CORP-0020926

BALANCED is a corporate initiative where we bring wellness to life through food, education, movement, and engagement. It creates a consistent monthly rhythm that makes healthy living approachable, enjoyable, and part of the everyday resident experience.

Each month, a featured Superfood creates a common theme that Culinary and Resident Engagement bring to life together through **LEARN | EAT | MOVE | ENGAGE**.

BALANCED aligns Culinary, Resident Engagement, Wellness/Fitness, Sales, Marketing, Operations, and Regional Leadership around one connected resident experience.

First 3 weekends in November

SOCIAL: Silent Auction / In front of fireplace throughout lunchtime & Happy Hour
Each year, a dedicated committee comes together to support the **Employee Christmas Fund**, a cherished tradition that gives residents the opportunity to show their appreciation for the employees who make our community special. Throughout the year, the committee organizes various fundraising events, with all proceeds benefiting the Christmas Fund.
One of the most anticipated fundraisers is the **Silent Auction** held each November. Residents can browse a variety of donated items and place bids on their favorites. At the close of the auction, the highest bidder takes home the item, and all proceeds are added to the Employee Christmas Fund.
The funds collected through resident donations and fundraising events are combined and distributed among employees during the holiday season. Every bid, donation, and contribution helps recognize the hard work, dedication, and compassion our employees provide throughout the year.

We host 1 of each meeting every month.

For Dining, Mattie implemented the GF "Gluten free" icon to the Always Available Menu for those with a gluten allergy or preference. Chef has been reading all your suggestions from the culinary suggestion box and is so excited to try some resident recipes! Thank you for all your feedback and kids words, it is appreciated.

For Activities, Jordan received a lot of restaurant and outing recommendations which included the Tulsa Sate Fair and Oktoberfest along with Ruby's Burgers and Dutch Pantry. We also talked about touring some of Tulsa's bigger facilities like the Port of Catoosa and Bartlesville Candle plant. Be on the lookout for those in upcoming months!

Lastly, our biggest project as of late has been the renovations to the building which included painting the outside of the building, the flooring and paint in the hallways, laundry rooms and a full Clubhouse renovation. WE appreciate your patience through this transition and hope you're enjoying all the new changes.
